Joel Schatz,  
Director,  
US-USSR Special Projects Divisions

Dear Joel,

I trust you recognise this place on the photo and even will be able to translate a Russian word.

"ТЕЛЕПОРТ" and associate it with "TELEPORT".

- It is the first meeting of Alcoholics Anonymous group with Soviet Alcoholics who found in themselves a resource for transformation. On the picture they are sharing their experiences. Needless to say, the environment created by our designers and support of a cafe "Valday" hosts helped a lot. Chief Narcologist of Moscow (sitting next to a woman-interpreter under poster "ТЕЛЕПОРТ") Dr. Edward Proctor did tell me after:
  - they are talking much more and deeper than in my clinics; let's start working together.

Our meeting happened a few hours, or so, after war attack in the Middle East. When our work will be as effective as theirs? Meanwhile I've decided to be more real and less symbolic. I do not want to describe why "Moscow News" refused to give to us "photo-phone" (not belonging to them at all) to connect a Soviet leader with an American colleague. But I want you to know that I'll be taking part in any US-USSR exchanges only withing or under support of Teleport (thus creating it - vision, reality, programme, organisation -)

I already announced that a key element of a City of Peace should be a teleport (see a paper). So, I want to create it in Moscow, to prove that it is a City of Peace. And I don't want to spend a minute of my life any more to work or create or support artificial wants, people or whatever.

So, all my energy will be concentrated now on one and the only project — "The Last 24 Hours of the Year of Peace". There is a growing number of people who prefers to do this project rather than something else (be it "The First Earth Run" or so). Kids from Jerry's delegation will create a book together with Soviet kids where they'll visualize a New Year Party for 2 Billions people. It will become a rough draft for our Script — to polish it, understand and accomplish.

Last time you promised to open an account for \$100 (for tel. bill of yours payed by me here).

It is a beginning for a "Mirror for Humanity" element of the 24 hours Script for what I want to be personally responsible. I want you to sure do it, because people are ready practically to support this vision now.

Sobriety N.Y. party that is a natural place to meet for American and Soviet alcoholics (that's why we were working together with Sharon and Sara, and I didn't feel as if I am doing somebody's work for nothing). So, I want you to evaluate what time and funds you can devote to the "24 hours" Project, each time looking for correlation between your proposals and my Vision. I think it is not necessary to prove to you, that nobody around trust it is possible to accomplish such a Project. So, the only way to do it — to stop wasting time and declare it as an ultimate Goal. This is a very real source of creative hidden reserves, **believe** me, my friend. My best wishes. Joseph.
